Time to Pray

Your fingers can be used to bring to mind different things to pray for:

Thumb

This is the strongest digit on your hand. Give thanks for all the strong things in your life, like home and family, relationships that support and sustain you.

Index finger

This is the pointing finger. Pray for all those people and things in your life who guide and help you. Friends, teachers, doctors, nurses, emergency services and so on.

Middle finger

This is the tallest finger. Pray for all the important people who have power in the world, like world leaders and their governments, members of parliament and local councillors, the Royal Family, other world leaders and their governments.

Ring finger

This is the weakest finger on your hand. It can't do much by itself. Remember the poor, the weak, the helpless, the hungry, the sick, the ill and the bereaved.

Little finger

This is the smallest and the last finger on your hand. Pray for yourself.

Prayer for Ukraine Prayer:

God of all peoples and nations, who created all things alive and breathing, united and whole,
Show us the way of peace that is your overwhelming presence.
We hold before you the peoples of Ukraine and Russia, every child and every adult. We long for the time when weapons of war are beaten into ploughshares
When nations no longer lift up sword against nation.
We cry out to you for peace;
Protect those who only desire and deserve to live in security and safety.
Comfort those who fear for their lives and the lives of their loved ones
Be with those who are bereaved.
Change the hearts of those set on violence and aggression
And fill leaders with the wisdom that leads to peace.
Kindle again in us a love of our neighbour,
And a passion for justice to prevail and a renewed recognition that we all play a part in peace.
Creator of all hear our prayer and bring us peace. Make us whole.
Amen.
