Giving

Regular giving is part of Christian discipleship and we encourage people to think and pray about a regular amount to give to the life of the church in Quarrington. There is information about the Parish Giving Scheme (PGS) for monthly giving at the back of the church.

You can make a one-off gift by scanning the QR code, following the link and selecting a donation amount.

Please also consider signing up to the EasyFundraising scheme and earning money for St Botolph's while you shop.

search for St Botolph's Church Quarrington and sign up to support the work of the church. It really is as easy as that

Care Home visits

Our monthly visits to Sleaford Manor and Sleaford Hall care homes continue and 'congregation' numbers will hopefully continue to grow. Would you be willing to help by giving your time on Tuesday or Friday afternoons? Please let Sue Tuck know if would like to help.

A little more about Church by Nature

Please be aware ...

- + Church by Nature (or any form of forest church) is not 'normal church' held outside. Rather it is a way of encountering God, the Divine Creator, through Creation.
- + It is nature who is the teacher. We need to keep all our senses open to what is being taught. Please remember to take time to 'be' in nature, see, hear, smell, touch and (carefully) taste.
- + We also encounter God in our relationships with each other (after all, we are all part of God's handiwork) so remember to be aware of 'God between us'.
- + Be aware that weather is part of nature and part of the way we experience nature. We will go ahead whatever the weather unless it is so bad as to be unsafe e.g. very heavy rain, high wind, very icy.
- + The group is inclusive and open to all. Although the primary approach is from a Christian viewpoint we are open to people of other faiths seeking to encounter the divine through the experience of nature.
- + The time in the cafe after the walk is an important part of the gathering. Please don't leave beforehand unless you really have to.
- + It's called 'Church by Nature' because, whenever a group of Christians meet together the gathering is Church by its very nature, but even more so when it takes place in nature.
